July 7, 2014 - Movie: Daawat-e-ishq , Cast: Aditya Roy Kapoor & Parineeti Chopra, director(s): Habib Faisal, producer(s): Aditya Chopra. I would love to see a new film by Aditya Chopra starring Parini Chopra. This time with the participation of the still young Aditya Chopra (young and promising) and his more experienced colleague on the set (she is also young and very promising). Over the past time, they have done a good job and, in my opinion, the film Daawat-e-ishq is one of their best works, although not without drawbacks.
